## BISBEE WINS GAME FROM EL PASO BROWNS

An Easy Victory for Invincible Local Team, Who Have Their Own Way for Six Innings.

SCORE WAS 29 TO 1

Many Events Yesterday at the Don Luis Athletic Park and Track.

BIG CELEBRATION ENDS

EVENTS TAKE PLACE AT DON LUIS YESTERDAY.

Thousands Present to See the Races and Ball Game—A Disagreeable Day.

The three days' celebration was brought to a close last night with a triumphant blaze of electric lights, masked revelers, and the throwing of confetti. The streets were thronged from early evening until late at night with the merry makers and the wee small hours still saw the revelers bent on making the night complete. Hundreds have come, seen the great mining camp in the heyday of her greatest holiday; saw the mighty pageant of the multitude pass by in the glamour of the celebration; read the story of our prosperity in the stir of business life, the splendid decorations that made the business houses look like veritable palaces of flags and bunting, and have gone bearing with them at least a regret that such an occasion is at an end.

These are epochs that mark triumphs in the business life of a city and send out an impression for its people's good. For who could mingle in so complete a gathering, marked with a succession of triumphs without reflecting upon those who made it possible.

With the din of voices and the boom of cannon, the strains of music and flare of rockets, our independence day week has closed. The gay laughter that sounded far out upon the night air will only live in the memory of the participant who will oft recall some feature incident of the occasion.

They will look back to our mountain city which, nestling at the foot of crags and sheltered by rugged amphitheatres that rises far above, and view again the succession of events that passed by like a changing panorama.

### BISBEE WINS.

Nothing to It Between Bisbee and El Paso.

It was like taking candy away from a baby. That was the story of the ball game at Don Luis yesterday, that is not mentioning the dust, which blew down the backs of two thousand people, filled their ears and eyes, and made everyone miserable, except the conscientious fan, who considers any day beautiful when Bisbee comes marching home the proud victors.

The score was 29 to 1—for six innings, when the Browns, from El Paso, threw up the sponge.

The hitting of the Bisbee team was like a rapid fire gun. There was a regular San Juan bombardment in the sixth and when the smoke had cleared away Bisbee had added sixteen runs to the score book. Up to this time they had pounded Shacker for thirteen. The visitors played a listless, uphill game, and were easily outclassed.

Shacker, who pitched for El Paso, was a poor one, and the team went right at him for six runs in the first inning. Errors galore were recorded for El Paso. There were passed balls, wild throws, muffs—in fact, everything that goes to make up a poor exhibition.

In the main Bisbee played a steady game, and the work of White was of a high order. Barring an error by Smith, who threw low to second, allowing Meguire on third to score, the visitors would have been completely shut out.

### THE STORY OF THE GAME.

Bisbee went to bat first, with Lambkin up, who smashed out a good one. Smith, the next man up, bunted and beat the ball to first. Graham hit an easy one to second, which Slessinger fumbled and three men were safe on bases. Young hit safe to center, scoring Lambkin, who was perched on third. Godfrey smashed oneto right field, a wild throw home, and four men had crossed the plate before order was restored. Five runs and nobody out, set the fans wild. White, the next man up, fanned. Henry went out at first, but Morse banged one over the left fielder's head, and before it could be fielded he had crossed the plate.

In El Paso's half, Jacobs knocked a pop fly to White. Witcher struck out and Tuller was hit by a pitched ball. Smith had a passed ball, and Fuller was safe at second. Watlett went out on foul tip. Score end first inning: Bisbee, 6; El Paso, 0.

In the second Lambkin walked. Smith fanned out. Graham hit safe over second and Lambkin stole over to third on the hit. "Sike" Young smashed out a home run, and three more runs were added. Godfrey hit safe over second. White was hit by ball. With two men on bases, Morse hit safe past third, and Godfrey scored. Lambkin flew out to center. Four runs. McGuire, first man up for El Paso, hit safe to center and Berthold walked to first. Hackett struck out. Fletcher knocked liner to White, who doubled Meguire at second. Side out, still no runs.

Third inning.—Smith hit safe to first, but was caught napping, and was out. Graham hit for three bases. "Sike" Young was next up, and the fireworks continued with a home run. Godfrey hit to center, which Watlett muffed and he was safe at second. White sacrificed and Godfrey went to third. Henry walked. Morse hit safe and Godfrey scored. Henry, in the meantime, was out stealing third. Three runs.

For El Paso, Schacker knocked an easy one to White and was out at first. Jacoby hit to Graham at short, who threw wild to first, Jacoby taking two bases. Witcher hit to short and was safe at first. Jacoby came in with first run on bad throw to second by Smith. Fuller flew out to center. Watlett went out on foul fly, which was gathered in by Smith.

Score: Bisbee, 13; El Paso, 1. Fourth inning.—Brown flew out to second baseman. Lambkin walked. Smith likewise. Rankin out attempting to steal third. Graham walked. Smith stole over to third, but Young was thrown out at first. No runs.

In El Paso's half, Meguire fanned. Bernhard walked. Hackett hit safe past second for one base. Burthold was forced out at third, and with three men on bases Jacoby fanned and relieved the side.

Fifth inning.—Godfrey flew out to right. White put one in same place and was out. Henry knocked a little one in front of the base and was out at first.

Witcher flew out to Morse, left field. Fuller was safe at first by fumble of Henry at second. Watlett flew out to left. Umpire made a rotten decision by not calling Fuller out at first by Young, who had him out a mile, and then tossed the ball on the ground. Meguire struck out, retiring the side and no runs.

And that worthy muffed and everybody came home. The bombardment continued and before the inning ended

Bisbee had added sixteen runs. At this stage of the proceedings El Paso was prevailed on to throw up the sponge.

Score by innings:  
Bisbee ..... 6 4 3 0 0 16—29  
El Paso ..... 0 0 1 0 0 0—1

### The Gun Shoot.

The first outdoor sport that attracted the crowds was the gun shoot which took place at Don Luis at ten a. m. Excursion trains were run at this hour and continued during the day at intervals of thirty minutes.

In the gun shoot Mr. Adamson, master mechanic of the Copper Queen Co., carried off most of the honors, and besides winning most of the events, succeeded in making the longest run and took credit for the highest average. ## IS NOW AT HOME

PRESIDENT ROOSEVELT LAYS ASIDE OFFICIAL CARES TO SPEND FEW DAYS AT HOME—IS GLAD TO GET AWAY FROM WASHINGTON—OLD FRIENDS GREET HIM IN NEW YORK.

New York, July 5.—Associated Press.—President Roosevelt arrived at Jersey City at 2 o'clock this afternoon on a special train. He was accompanied by Secretaries Cortelyou and Loeb and Dr. Urie. The president seemed fatigued. He shook hands with the engineer and fireman of his train, retracing his steps some distance to do so.

The president and party then took carriages and were driven to the Twenty-third street ferry. They crossed the city and took the ferry for Long Island station. There they boarded the train for Oyster Bay.

President Roosevelt arrived here at 5:15 o'clock this afternoon and was given a cordial greeting. Old friends and associates of the president gathered at the platform to extend greetings.

Greetings over the president entered an open surry with his three children and started in a violent rain and thunder storm for Sagamore hill. Neither he nor the children seemed the worse for the drenching.

During the journey from Pittsburg to Oyster Bay, President Roosevelt frequently spoke of how glad he was at the prospect of being with his family, and escaping to a considerable extent the many official cares that continually beset him at Washington.

The question of the location of the executive offices at Oyster Bay still remains unsettled. The matter will be decided Monday.
